NOTICES

Chaplain's Installation

The Reverend Canon Thomas Woodhouse has been appointed Chaplain of The Queen's Chapel of the Savoy by Her Majesty The Queen in right of Her Duchy of Lancaster. Thomas joins us from the Diocese of Salisbury, where he was Vicar of Royal Wootton Bassett and most recently Team Rector of Dorchester and The Winterbournes. He has also served in suburban and rural parishes in the Diocese of Gloucester. He will be installed in the Chapel by the Dean of the Chapels Royal at 6pm on Monday 30 September. Please contact the Steward if you would like to attend the service.

Thomas will be joined in London by his wife Kate and their four daughters. Thomas's first Sunday service here will be a Sung Eucharist at 11am on 6 October.

Harvest

On Sunday 13 October, the theme of the service will be Harvest Festival. We will welcome the trustees and members of the Addington Fund, a charity that specifically directed towards helping the farming community. The Fund provides homes for farming families living in England and Wales who have to leave the industry and by doing so will lose their home and also offers emergency grants in times of hardship. The Fund was set up as the Churches' response to Foot and Mouth Disease when it distributed grants totalling £10.3 million to over 22,000 applicants. Today, the Fund continues to support viable farming families experiencing financial hardship due to circumstances affecting the business which are completely out of their control. The rural idyll easily captivates us to think that the countryside is a wonderful place in which to live and work. It conceals the very real extent of rural poverty and the high rate of depression and suicide which afflicts the farming community. It will be a pleasure to welcome The Right Reverend Rachel Treweek, the Bishop of Gloucester as the preacher that morning.
